

Atlanta ARMA and Contoural Present:
Information Governance & eDiscovery Symposium '12

Join Atlanta ARMA and Contoural in a complimentary ½ day event intended to bridge legal, records, compliance, security and IT to achieve real-world, impactful results.

Reasons to Attend:

- Building Consensus between legal, records management, compliance and IT
- Network with peers
- Compliance impact of social media and cloud computing
- Hear how Blue Cross Blue Shield and other companies tackled information governance
- Real-world strategies for managing and deleting e-mail
- Integrating RIM, eDiscovery and data privacy work streams
- Choose from two different tracks
 - Legal and Compliance
 - Technology & Process
- Independent perspective – not a vendor pitch
